Dear Camp Families,

We are thrilled to welcome you to Alliance Theatre Drama Camp! We cannot wait to meet all of the amazing young artists that will be joining us this summer.

At the Alliance Theatre, we value process over product. This means that we focus on the creative journey, rather than the end result. Our summer camps are a perfect opportunity for young artists to explore their creative potential, learn new skills, and build lasting friendships with fellow performers. Our dedicated and experienced staff will provide you with a safe and supportive environment to express yourself and grow as an artist.

Please take some time to look over the information in this packet to ensure that you and your young actor are properly prepared to join us at drama camp.

We believe that theater has the power to change lives, and we can't wait to share that power with you this summer.

See you center stage,

Olivia Aston Bosworth
Head of Youth & Family Programs

Samantha Provenzano
Teen Programs Manager

Jayson T. Waddell
Camp Administrative Manager

NOTE: Under NO circumstances will children be permitted to purchase lunches from Colony Square or surrounding vendors.

NUT POLICY

Due to the increased commonality of nut allergies, we ask that you refrain from packing nut products for the safety of all our campers.

◆ TECHNOLOGY & CELL PHONES ◆

At our summer drama camp, we offer an opportunity for campers to unplug and disconnect from their electronic devices. We understand that as a parent or guardian, you may be used to keeping tabs on your camper through calls or texts. However, while your camper is in our care, we kindly ask that they keep all devices that make calls, send texts, play music, access the internet or have games in their backpacks. This will help to make sure your camper cannot access harmful content while in our care.

Rest assured that our staff members are well-equipped to assist campers in overcoming any challenges that may arise during their time at camp. If necessary, we will reach out to you, and you are always welcome to contact us as well.

◆ AFTERCARE ◆

- We do not offer Aftercare at the Lovett School location.

◆ FRIDAY SHOWCASE ◆

We will invite friends and family to join us on campus for a showcase on the final day of camp.

Please plan to arrive early for your camper's showcase. We will not be able to delay the start time due to traffic or other issues.

For families who have multiple campers, please make note of the 11am preview performance. This will allow you to see two showcases in one day!

There is no carpool or aftercare on the last day of the camp week. Campers will depart with their caregiver following the showcase.

NOTE: We do not provide recordings of performances, but everyone is welcome to record on their own devices during the showcase!

(on the right, as you enter from Northside Dr.).

Please read all street signage concerning parking.

Please do not park in any reserved parking spaces.

◆ CLOSET SHOPPING ◆

Students are encouraged to wear their provided camp shirt for showcase day. Students will come home buzzing about their new roles and have ideas about costumes they may want to source. We do not expect any students or caregivers to purchase or stress about their costumes.

We highly recommend closet shopping for items you already own that can represent their characters.

Please note: Many of our youngest campers will end up choosing their own character during the course of the week.

Keeping things simple is often the best way!

PLEASE DO NOT:

- ...spend large sums of money on a costume for your camper. The Friday Showcase should be fun and not induce stress or concern from you or your camper.
- ...arrive in costume on Friday. Campers will have time during the day to get into costume. If they are wearing makeup as part of their costume, they should arrive with makeup already applied. Staff will not be able to assist with makeup needs.

PLEASE DO:

- wear your camp shirt on FRIDAY!
- 

WHEN DO WE CALL CAREGIVERS?

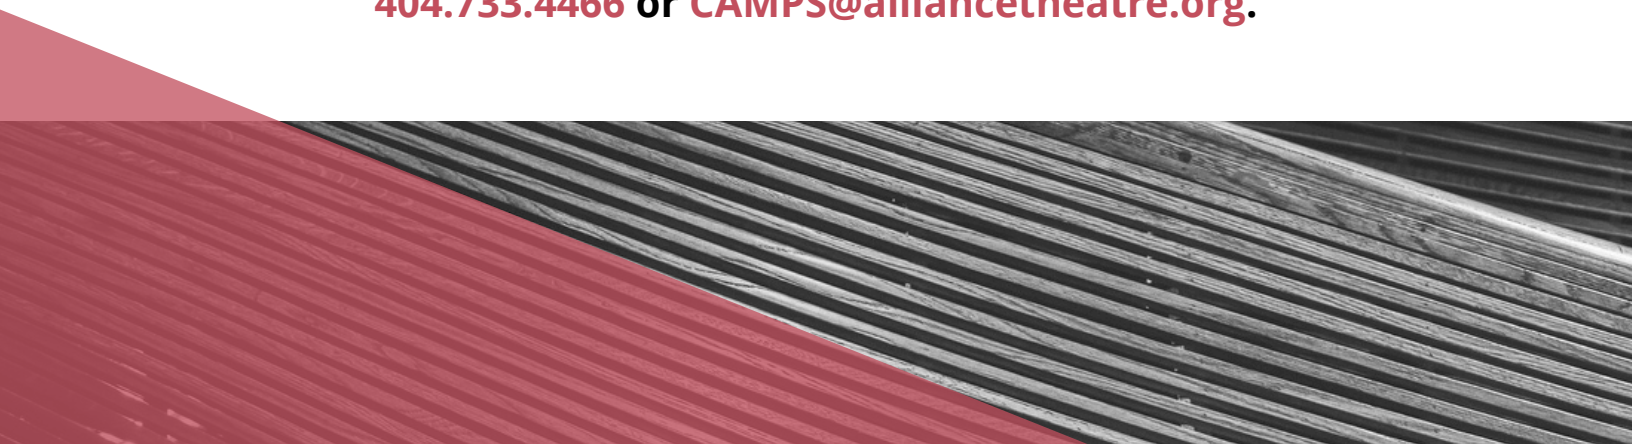

We will contact a Caregiver if a Camper:

- Experiences atypical homesickness.
- Experiences behavioral challenges
- Is involved in a behavior dispute with another camper.
- Violates the Drama Camp Bullying Policy
 - (see Bullying Policy on pg. 17).
- Has an acute, sudden or communicable illness.
- Has a temperature of 100.5°F or higher.
- Was involved in a minor accident resulting in a bandage or icepack.
- Needs to be taken to Urgent Care or the hospital.
- Has questions about their allergies.

If you receive a call from a member of our staff, please do not panic!

We want to make sure that caregivers are kept up to date on how their camper's day is going and the best way to do that is through direct communication with their caregiver.

**If you have any questions or concerns,
please feel free to contact us at
404.733.4466 or CAMPS@alliancetheatre.org.**
